To All Current and Future Athletic Parents:

There will be an informational athletic meeting for all parents of incoming 7th through 12th grade students who plan to participate in any athletic activity in the 2010-2011 academic school year. This meeting will take place on Monday, May 24 at 6 pm in the Santo High School Gymnasium. It is my hope through this meeting that we can open the lines of communication and provide you with pertinent information related to athletic department rules, guidelines, schedules, practices, paperwork, etc. Other items to be discussed during this meeting will involve practice times and locations, eligibility requirements, and alignment of all sports. I will also outline the process for you to join and become an active member of our athletic booster club. This group has been instrumental in helping us provide our athletic teams with necessary equipment that we would have otherwise been unable to obtain. It is important that we maintain a strong commitment from you, the parent, to keep our booster club efficient and effective. There will be breakout sessions with coaches from each sport, in which you will have the opportunity to ask specific questions related to each sport. Also, we will be discussing the future of Santo Athletics in regards to the state educational funding system that is currently in place. This is a very important meeting to lay the groundwork for the future of our athletic programs and prepare you and your athlete for continued athletic success. Your attendance at this meeting is expected, and I look forward to seeing you on the 24th. If you have any questions please feel free to contact me.
